Broadview University is honored to announce that it will use the CARES ACT to support its students by providing Higher Education Emergency Relief Funds (HEERF) grants to help cover expenses related to disruptions to their educations due to the COVID-19 outbreak, including items such as course materials and technology as well as food, housing, health care, and childcare. The Coronavirus Aid, Relief and Economic Security Act (CARES Act) was signed into law in March, 2020. A key provision of the legislation allows the United States Department of Education (USDE) to direct funding to educational institutions like Broadview University, which then provide students direct financial assistance through emergency financial grants. The USDE provided guidance that students receiving these funds must be Title IV eligible (meaning those receiving or eligible to receive federal funding such as Pell Grants and Direct Loans). Students do not need to repay these funds.

As a Title IV eligible student at Broadview University you are entitled to a grant of \$765.78. Please acknowledge your need to receive this grant by either opting in or opting out below:

I opt in and acknowledge the need to receive this grant. I understand that I do not need to repay these funds and they should be used to cover expenses related to the disruption of my education due to COVID-19.

I opt out and do not wish to receive this grant. I wish to have the funds allocated to another student in need.

Please type in your full, legal name (First, Middle, Last)
